[30th March 1961]

3. As pointed out by the Hon. Minister for Industries, while presenting the Budget for 1961-62 in the Legislative Council, "neither the size of the Public Debt which now stands at Rs. 189 crores, nor the annual servicing charges, should cause us much concern, because we have invested the funds prudently on productive assets. We have invested Rs. 112 crores on Power Projects, Rs. 56 crores on Irrigation Projects and also lent about Rs. 48 crores to cultivators, local bodies and other Statutory Trusts. The book value of all our assets including stocks, shares and buildings, amounts to Rs. 267 crores and this is substantially in excess of the Public Debt" which now stands at Rs. 189 crores.

DEPUTY SPEAKER: Questions are over.

II.—ADJOURNMENT MOTION *RE* CENSUS FIGURES.

DEPUTY SPEAKER: The hon. Member, Sri K. Anbazhagan has given notice of an adjournment motion about census figures in the State.

There is no Government responsibility in this and the matter cannot be raised as an adjournment motion. I do not propose to give my consent to raise the matter.

III.—SERVICE OF SUBPOENA ON THE HON. MEMBERS.

DEPUTY SPEAKER: I have to announce to the House that the Hon. Speaker has received a summons from the Special First Class Magistrate, Coonoor, to be served on an hon. Member of this House. Hon. Members are aware that service of summons on hon. Members within the precincts of the House would amount to a breach of privilege of the House. Further, Hon. Speaker should not be considered as post office for delivery of documents to hon. Members. That service of summons within the precincts should not be resorted to has been impressed on the Government several times. There is also a specific rule in the Assembly Rules, viz., Rule 249 to the effect that legal processes should not be served within the precincts of the House without obtaining the permission of the House. I am returning the summons to the Magistrate to make his own arrangements for the service of the summons. I hope the Government would impress on the authorities concerned not to send summons to the Hon. Speaker or Secretary for being served on members.

THE HON. SRI C. SUBRAMANIAM: I am sorry, Sir, that it has happened. As a matter of fact, we have issued instructions that this practice should not be resorted to for the serving of summons on the hon. Members. Certainly, the Government will look into the matter how it has happened and under what circumstances. The Government will take necessary action.
